History of the School

The school was founded in 1908 by Mr. Algernon Lucas, a graduate of Selwyn College, Cambridge, to educate boys to 13 years of age. Its first location was in downtown Montreal, on MacKay Street, and in 1930 it moved to more spacious quarters on Redpath Street. Upon the death, in 1945, of its fourth Headmaster, Mr. Geoffrey H. Wanstall, the ownership of the school was transferred to the Selwyn House Association, a newly created group of Old Boys and interested parents. In 1960, the building housing Westmount High School was acquired and the school moved into these, its present quarters. The relocation not only provided expanded, first-rate facilities, but enabled the school to offer instruction beyond the junior high school level, through to matriculation and university entrance. With the acquisition of a new building in 1985, the school increased its floor space by 50 percent while remaining committed to maintaining current enrollment of 530 students.

Selwyn House seeks to prepare boys of good intelligence, who exhibit good citizenship, for imaginative, reasonable and responsible exercise of their talents and facilities.

Best Wishes

Again this year, we extend a warm welcome to all participants, players' families and friends at the Eleventh Selwyn House Varsity and Bantam Invitational Hockey Tournament.

It is our hope that all will enjoy and benefit from the friendly competition. We look forward to the display of individual and team play attended by exemplary sportsmanship.

The Gryphon Team Captains

Capt. Eric Pedicelli

Eric is a second-year right wing who is very effective when playing a physical game. He leads by example on and off the ice with his strong defensive play and inspirational talks.

Eric has been one of the finest hockey captains at Selwyn House and his dedication to the team is one of the reasons this team has made a respectable showing in the second half of the season.

Tom Nicoll and I wish "Ped" success with his future endeavours.

– Steve Mitchell

Asst. Capt. Charlie McLean
